The Salvation Army is providing children ages 5-14 years with a safe place to go throughout the day during the summer. Children participate in different activities, lessons, and fieldtrips to engage their minds throughout the summer. More than 200 volunteers will dedicate their summer in helping our program succeed again for another year.

“This program is so valuable because it keeps children productive during the summertime and away from negative influences. Any food donation will help us immensely so we can continue our mission serving the Tucson community,” said Lieutenant Christopher Kim, Tucson Korean/Temple Corps officer.

Our goal this summer is to raise \$5,000. Money raised for this program will go towards improving activities and lesson plans. Text [HappyCampers](#) (no space) to 51555 to make a monetary donation.

Food donations that are desperately needed: granola bars, juice boxes, canned food, potato chips, pretzels, popcorn, bread, peanut butter & jelly, crackers, and an assortment of candy.
